Date:-06.03.2020

To
Sri M Ajit Kumar
The Chairman
CBIC, North Block, New Delhi- 110001.

Respected Sir,

Sub: - Request for issuing direction for suspension of Biometric attendance: - reg.

It is known to all of us that the deadly corona virus has now become epidemic by taking thousands of lives across the world. Different health organizations have already expressed their concern that it is very much contagious and it appears to be spreading from person to person among those in close contact.

Now, a considerable number of employees of this department are in psychological confusion whether giving attendance in biometric scanner is healthy or not. We can not rule out the possibility of getting infected by the corona virus with the imprint of an infected person in biometric. For this reason in so many offices the attendance through biometric has already been suspended.

In this time of juncture, it is high time to suspend the biometric attendance in all the offices under CBIC and allow the employees to mark their attendance through conventional hygienic manner till the effect of the virus faded away.

Our officers who are posted in Land Customs Station, Port and Airport are in very high risk zone as they have to interact with foreign passengers in daily basis. So, it is requested to provide sanitizers, masks and other goods required for proper sterilization and sanitization to all the employees posted in offices as well as in international borders.

Now, suspension of biometric attendance will reduce the fear among the employees and will contribute to Swachhata Abhiyan which is the soul of this Government too.

Thanking you,

Yours' Sincerely

(Anubhuti Chatterjee)
Secretary General
